Tune: *St. Gertrude* (Onward, Christian Soldiers) Meter: 7.6.7.6 D

## Verse 1

**Stand O' men of God now,**  
Rise and take your ground;  
**Hell assaults the righteous,**  
Sin reigns all around.  
Yet our King commands us -  
He who holds the throne -  
**Strike against the darkness,**  
Make His glory known.

Chant: *Stand O' men of God now...*

---

## BATTLE-CHANT CHORUS

**Stand! O men of God now -**  
**Hold the holy line!**  
**Christ our mighty Captain**  
**Leads us by design.**  
**Stand! O men of God now -**  
**Hold the battle line!**  
**Truth is marching forward -**  
**Victory is divine!**

---

## Verse 2

**Let the proud condemn us,**  
Let them mock our stand;  
**We will not be silent,**  
We will not disband.  
Cowards love their comfort,  
Traitors love their chains -  
**We were forged for battle,**  
Born for sacred strains!

Chant: *Stand O' men of God now...*

---

## BATTLE-CHANT CHORUS

Repeat Chorus Above

---

### Verse 3

**See the wicked boasting,**  
Roaring in their pride;  
**See the saints unbroken,**  
Christ is at their side.  
Truth outlives the tyrants,  
Faith outlasts their rage -  
**Men of God bring judgment**  
To a faithless age!

**Chant:** *Stand O' men of God now...*

---

### BATTLE-CHANT CHORUS

Repeat Chorus Above

---

### Verse 4

**Should the world oppose us,**  
Let it spend its might;  
**We belong to Jesus,**  
Warriors of the Light.  
Death itself can't bind us,  
Hell can't take our claim -  
**Strike until He calls us**  
By our battle-name!

**Chant:** *Stand O' men of God now...*

---

### FINAL BATTLE-CHANT CHORUS
