

Buried With Christ, Raised Up New

(To the tune of "Amazing Grace" – Common Meter 8.6.8.6)

LORD REDBEARD 2025

Verse 1

Buried with Christ beneath the wave,
The old man put to death,
No claim remains, no life retained,
Save what He gives by breath.

Verse 2

The waters close upon the flesh,
The former self is slain;
In likeness of His righteous death,
No sin may rule again.

Verse 3

Raised up with Him to walk anew,
By resurrection power,
No longer bound to former chains,
No slave to sin's old hour.

Verse 4

This washing is no empty sign,
No symbol void of might;
It marks the covenant of God,
Transferred from dark to light.

Verse 5

One Lord, one faith, one baptism sure,
One body sealed in blood;

We rise obedient, cleansed, and owned,
Declared the sons of God.

Verse 6

So let the world and flesh protest,
Their verdict has no claim;
We bear upon our lives the mark
Of Christ's victorious Name.
