## Verse 1

Well I opened up my Bible, read it slow,  
Didn't skip the parts folks don't wanna know,  
Found old Abraham blessed all his days,  
More than one wife - and the Lord still praised.

---

## Chorus

There's room at the table, come on and stay,  
God's love don't shrink when it grows that way,  
One man standing, blessings on display,  
Hallelujah - there's room today.

---

## Verse 2

Jacob labored long for Rachel's hand,  
Worked again for Leah, just as planned,  
Twelve tribes later, nobody complains,  
Funny how truth still rattles chains.

---

## Chorus

There's room at the table, pass the bread,  
God ain't nervous when the house gets fed,  
Order and love, just like He said,  
Hallelujah - no need to dread.

---

## Verse 3

David sang Psalms, Solomon knew,  
Wisdom poured out and the wives did too,

Folks get uneasy when the Word gets read,  
But God ain't bothered by what He said.

---

## Chorus

There's room at the table, pull up a chair,  
Covenant love ain't thin or rare,  
Headship strong and faithful care,  
Hallelujah - it's all right there.

---

## Bridge

*(optional, half-spoken / grin line)*  
If He fed the crowd with fish and bread,  
He can handle more daughters led.

---

## Verse 4

Jesus never said "make blessings small,"  
Said "be fruitful," He said it all,  
If God multiplies stars in the sky,  
Why folks panic when love walks by?

---

## Final Chorus

There's room at the table, hear it ring,  
Kingdom living's a growing thing,  
Read it straight, let freedom sing,  
Hallelujah - praise the King.

---

## Outro

So read it slow, don't rush the page,  
Old-time truth still shakes this age,  
Pull up a chair, don't run away -  
Hallelujah - there's room today.
